- Eclipse has the right to appoint a director to the Board of Klondyke while the loan is outstanding
- It is a condition of the Loan Facility Agreement that Klondyke obtains the agreement from its other lenders to subordinate their loans behind the Loan Facility Agreement, and to extend the time for the repayment until such time as the Eclipse facility has been repaid or converted.
- The Loan Facility Agreement will terminate on 30 November 2012, or such earlier date appointed by Eclipse.

“This arrangement has the potential to diversify Eclipse’s asset holding with exposure to gold assets at a discount to the current valuation of Klondyke.” said Graeme Allan, Eclipse’s chairman
